\* Inpatients are not bulk billed. The majority of outpatient examinations are bulk billed. Enquire during booking.

Your doctor has recommended that you use Nepean Diagnostics. You may choose another provider but please discuss this with your doctor first.

Turn left from the Northern Rd into Barber Ave. There is no right hand turn into Barber Ave. Parking is located through the boom-gates just past the Nepean Private Hospital.

**PARKING IS FREE.** Patients will be able to have their parking ticket cleared at the front desk of the practice just prior to leaving.

Nepean Diagnostics provides:

**CT scanning** - We provide quality low dose studies

**Ultrasound** - We perform the full range of ultrasound studies

**Fluoroscopy** - We have the only private fluoroscopy service in Western Sydney

**Plain Film** - We also provide the imaging guidance in the private hospital theatres.

**Intervention** - We also provide a comprehensive image guided interventional service.

**Remote Image Viewing** - Referrers can view studies using our Voyager Web software.
